- All submissions must be photographs or scans of artwork; no original work will be accepted.
- No more than 3 submissions per artist.
- Works in a series may be counted as one entry, but must be labeled so, detailing the order of progression.
- All submissions will be judged anonymously and will be considered for the Albert J. Kuhn Awards, publication in 2010 *Mosaic*, and presentation at the unveiling ceremony.
- Works must be retrieved at Kuhn Honors & Scholars House after the Art Show of Spring 2010. *Mosaic is not responsible for works unclaimed beyond this deadline or for lost or stolen items.*

Photographs/Scans:

- When submitting photos of 3-D work, limit the number of photos depicting different views to three.
- CD-ROM is accepted, but must have all information listed above for each frame. Email submissions are accepted. All images sent by email must be no more than 1000 pixels in any direction, and compressed to the highest JPEG quality.
- Remember: if your piece is selected, we will need the actual work for gallery display during Spring Quarter 2010, in which case your work must be ready-to-install for display.
